

Act II— A Grand Restoration

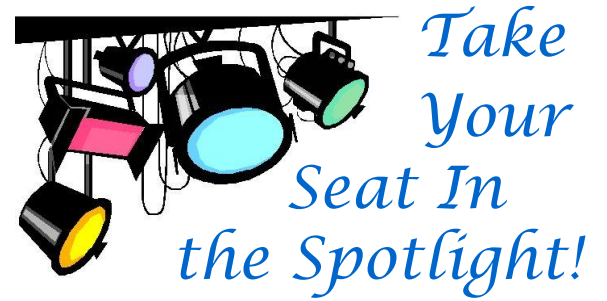

Enhancing patron experience is one of our key goals in planning the renovations at the Palace Theatre. High quality sound and lighting, comfortable new seats, and our spacious legroom will make your visit more enjoyable than ever before!

Coming in 2021, the new seats will match the beauty of our historic 1925 building, with cup holders for your favorite beverage, and of course, lots of legroom. The fabric and materials have been carefully chosen for both elegance and durability.

Best of all, you can sponsor a seat yourself! We are offering everyone in the community an opportunity to participate in the Palace renovation in an truly meaningful way! You may choose to make your donation over two years, allowing you to support the project in installments that are more affordable.

We need your help. Please join in and leave a lasting legacy to show you were a vital part of making Act II a reality.

Please use the spaces below to clearly print your personalized inscription, which will be located on the armrest of the new seat in the theatre. There are 3 rows for your inscription, each with a 25 character limit.(including spaces)

It's not too late to participate in the Palace renovations in a very meaningful - and affordable - way!
