ELVIS CHRISTMAS FT
TERRY BUCHWALD

Light up Lockport

We'd like to thank all the businesses and community groups that participated in the 2023 Light Up Lockport event. At the Palace we saw hundreds of families between our free Grinch and Polar Express movies and visit with Santa! Whenever the community can come together to enjoy holiday festivities without breaking the bank - we consider that wildly successful.

Annual Giving Campaign

Our annual giving campaign has started! We'd like to express extreme gratitude to all that have already donated. You give us the ability to keep ticket cost low, provide the community with free events and the opportunity to run an affordable theatre school to enrich our youth with theatre. If you'd like to give, the information is attached to this email along with a link to pay via PayPal or you can mail your check.

Bringing Back Concerts

We've had a few successful concert events including Motown, Jersey Nights and the Farewell concert for Chicago Authority. Our plan is to bring more events like this to Lockport in 2024! Stay tuned!
